

USA VOLLEYBALL – EVERGREEN REGION
CHAPERONE RESPONSIBILITIES

Thank you very much for volunteering to be a junior team chaperone. As a chaperone, you are assuming certain responsibilities for the welfare of the players under your care, custody and control. To assist you in knowing what your responsibilities are, we have created this information sheet for you. Please read and discuss these responsibilities with the team coach or club director. If you understand and accept these responsibilities, please sign and date the bottom of the form and return the form to the coach or club director.

In order to become a chaperone, I must first register with Evergreen Region Volleyball and successfully pass a background screening.

As a chaperone, I understand and take responsibility for the following:

1. At tournaments I understand that it is my responsibility to assist the coach(es) in the supervision of the players, and in the coach's absence, I will be responsible for monitoring and overseeing the actions of the players I am supervising. If I must leave the facility at any time, I will arrange for another rostered chaperone to assume my duties.
2. At each tournament where I am the chaperone, I will sign the team roster verifying my presence and introduce myself to the tournament director and day official so they are familiar with me, should the coach be unavailable.
3. If for any reason I feel I am unable to carry out any of my responsibilities as a chaperone, I will personally contact the team coach or club director and advise him/her of my circumstances.
4. I will do everything that is reasonable and prudent to ensure the safety of the players while performing any chaperone duties.
5. As a chaperone, I understand that I am working under the direction of the Team, Club, Regional Volleyball Association, or USA Volleyball. Any *General Liability* insurance available to the Team, Club, RVA, or USA Volleyball is also made available to me while working on behalf of or at the direction of the Team, Club, RVA, or USA Volleyball. I further understand that I may be personally responsible and liable for any of my actions that fall outside the scope of authority granted to me by the Team, Club, RVA, or USA Volleyball.
