

Day Official Requirements

All Evergreen Region sanctioned tournaments must be staffed with a paid, non-playing, non-coaching, non-site director, day official. This day official will be assigned by the Evergreen Region Officials Director or designee. The tournament director can request that a specific day official be assigned; however, the Evergreen Region does not guarantee that the request will be honored.

Observers

The Evergreen Region provides observers for tournaments scheduled through March. The role of the observer is to provide feedback and comments on the officiating, reffing, and scorekeeping to the players and coaches in the tournament. Observers are assigned by the Officials Director or designee and the fees for the observers are paid for by the Evergreen Region. There is no financial obligation from the tournament director for the observers assigned to your event.
